

SELKA

RAL Classic colors

The colors in the presentation are indicative; always check the colors from natural samples before ordering.

RAL Classic colors

The RAL Classic color range contains 213 color options. The most used gloss level is 75.

With RAL Classic stock colors, the delivery time of the products is 1-3 weeks. If the desired color is not in stock, the delivery time is 4-6 weeks. When the delivery time is critical, check the availability at sales@selka.fi.
